TOP DOG

TEXT: MONICA VIKSTRÖM-JOKELA

Snapp is best! Best at everything!

At least Snapp thinks so himself. He's crowned himself King of the School and designated fellow students Nelly and Moss to be the school's clowns and losers. Snapp is riding high until the extraordinarily clever Tolerance Fairy appears. He challenges Snapp to do the impossible: To be nice.

By mixing classical storytelling with humor and vibrant characters, Top Dog addresses today's obsession with being good, better, best. The play exposes the invisible rules we unquestioningly live by and asks: who gets to decide what's cool, what's nerdy and why?

A PHENOMENAL PLAY ABOUT HUMAN VALUE AND TOLERANCE.
